

To, Chad

I would like to take this opportunity to say a very big thank you for all the support given to me throughout the 2010 season.

With this help I have achieved my goal of taking out the Victorian Off-Road Championship for the second consecutive year and have achieved number 8 plate in the Australian Off-Road Series.

The time involved in working on my bike set-ups and your support has been really appreciated.

Once again Thank you so much I could not have achieved these results without your sponsorship.
